Open Access
1350 University Avenue
Rochester, NY 14607
(585) 627-1777
Seven days a week
Monday–Friday 4:00-10:00 p.m.
Saturday–Sunday 9:00 a.m.-10:00 p.m.

Collaboratively staffed by RecoveryNet OASAS Certified Treatment Providers to determine appropriate level of care, to identify first-available treatment slot and to arrange for transportation to that site if needed.
We encourage you to ask your medical or dental provider the following questions if a narcotic pain medication is discussed:

• Are there risks associated with taking narcotic pain medications?

• How long can I safely take this narcotic pain medication?

• How would I know if I have become addicted to a narcotic pain medication?

• Are there other options or safer alternative therapies to better respond to pain?

Recommendations:

Additionally, naloxone is available at all major pharmacies in Monroe County through a standing prescription. It is covered by most insurance plans. A separate prescription from your health care provider is not needed. With a naloxone kit and the proper training, together we can work to prevent overdoses in our community!
