Pittsford, NY 14534  
(585) 586-3440

REGISTRATION 7:30 am • LUNCH 12:00 pm  
LECTURE 8:30 am to 4:30 pm  
7 MCE Credits

### “Avoid Liability: Know Your Patients’ Medications and Their Impact on Dental Treatment”

Presented by Dr. Harold Crossley

**Harold L. Crossley, D.D.S., M.S., Ph.D.** is Professor Emeritus at the University of Maryland Dental School. A native of Rhode Island, Dr. Crossley received a Bachelor of Science degree in Pharmacy from the University of Rhode Island in 1964. He later was awarded the Master of Science (1970) and Doctorate degrees (1972) in Pharmacology. The University of Maryland Dental School in Baltimore awarded Dr. Crossley the D.D.S. degree in 1980. The liaison between the classroom and his part-time dental practice produced a practical approach to understanding the pharmacology of drugs used in the dental office.

Dr. Crossley has co-authored a number of articles and four books dealing with a variety of topics within the field of pharmacology. Other areas of expertise include the pharmacology of street drugs and chemical dependency. He serves on the Maryland State Dental Association’s Well-Being Committee, is an active member of Phi Kappa Phi, Omicron Kappa Upsilon Honorary Dental Society, the American College of Dentists, International College of Dentists, and an honorary member of the Thomas B. Hinman Dental Society. He was the recipient of the 2008 Gordon Christensen Lecturer Recognition award presented by the Chicago Dental Society and the

recipient of the 2012 Award of Distinction presented by the Academy of Dentistry International for his efforts in Continuing Dental Education. He has been a consultant for the United States Drug Enforcement Administration and other law enforcement agencies since 1974. Drawing on this unique background, Dr. Crossley has become nationally and internationally recognized as an expert on street drugs and chemical dependency as well as the clinical pharmacology of dental drugs.

#### COURSE DESCRIPTION:

Your patients are living longer thanks to their medications but many of the physician-prescribed medications used by your patients have dental implications and side effects affecting your treatment plan. Is antibiotic prophylaxis required for patients with an orthopedic prosthesis? What is the new FDA warning about codeine and tramadol in children?

This presentation includes the indications, contraindications, and side effects of the most common physician-prescribed medications. Familiarity with these drugs will provide the dental practitioner with a better appreciation for the health profile of your dental patient.

#### LEARNING OBJECTIVES:

- Prescription, OTC medications, and foods that could adversely interact with dental drugs.
- Why your patient is taking their medications.
- The impact of medical marijuana on your dental practice.
- How to combine analgesics to maximize their effects.
- Current recommendations for SBE and orthopedic prosthesis prophylaxis.

Monroe County Dental Society is a component of 7th District; recognized as a CERP provider through NYSDA. The Seventh District Dental Society is an ADA/CERP recognized provider of Mandatory Continuing Education.

- Continuing Education (CE) credits are awarded for all lectures that meet the NYSED requirements.
- One hour of credit is awarded for each 50 minutes of presentation attended.
- CE forms for NYS Continuing Education requirements will be given to each attendee when checking in at registration.
- To verify attendance, a four-digit code, read at the end of each seminar, must be marked on the CE form.
- After completing the form, please bring the white copy to the registration table before leaving.
- The yellow copy is for your own records. It is recommended that you retain copies of all your CE forms in case of audit.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at [www.ada.org/cerp](http://www.ada.org/cerp)

**ADA CERP®** | Continuing Education Recognition Program  
THE NEW YORK STATE DENTAL FOUNDATION is an ADA C.E.R.P. Recognized Provider
