Dear Friends:

Your generous donation of \$500 to the Geneseo/Groveland Emergency Food Pantry was so very thoughtful and most appreciated.

It is our challenge to provide nutritious and healthy food to our clients. With contribution like yours, we are able to do that. It is often challenging to keep a variety of food on the shelves that the clients want and that is still the best for a healthy diet. Donations like yours make such a difference.
THANK YOU!

We are so grateful for your support through volunteering, donating or by just keeping us in your thoughts and prayers.

Sincerely,

GENESEO-GROVELAND EMERGENCY FOOD PANTRY
