REGISTRATION 6:00 pm • DINNER 6:30 pm  
LECTURE 7:15 pm to 9:15 pm  
2 MCE Credits

### “Penicillin Allergy: Does it Exist?”

*A Review of Penicillin and Other Allergies That Will Change the Way You Practice*

Presented by S. Shahzad Mustafa, MD

**Dr. Mustafa** graduated from Johns Hopkins University and attended medical school at SUNY Buffalo. He then completed his internal medicine training at the University of Colorado and stayed in Denver to complete his fellowship training in allergy and clinical immunology at the University of Colorado, National Jewish Health, and Children’s Hospital of Denver. Dr. Mustafa returned to Rochester in 2009, and is now the lead physician at the allergy, immunology, and rheumatology practice at Rochester Regional Health, where he sees both pediatric and adult patients. Dr. Mustafa is also on faculty at the University of Rochester, where he is Clinical Assistant Professor of Medicine, and the clerkship director for the medical student elective in allergy/clinical immunology.

Monroe County Dental Society is a component of 7th District; recognized as a CERP provider through NYSDA.

- Continuing Education (CE) credits are awarded for all lectures that meet the NYSED requirements.
- One hour of credit is awarded for each 50 minutes of presentation attended.
- CE forms for NYS Continuing Education requirements will be given to each attendee when checking in at registration.
- To verify attendance, a four-digit code, read at the end of each seminar, must be marked on the CE form.
- After completing the form, please bring the white copy to the registration table before leaving.
- The yellow copy is for your own records. It is recommended that you retain copies of all your CE forms in case of audit.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at [www.ada.org/goto/cerp](http://www.ada.org/goto/cerp)

#### SESSION DESCRIPTION:

This session will provide a high-yield overview of relevant allergy and immunology topics for the field of dentistry. Topics will include but not be limited to penicillin allergy, other medical allergies, including allergy to local anesthetics, and the role of upper airway inflammation on facial and dental changes. There will also be ample time for Q & A and a lively discussion.

#### LEARNING OBJECTIVES:

At conclusion, participants should be able to:

1. Identify methods to evaluate penicillin allergy.
2. Identify methods to evaluate other drug allergies.
3. Describe the dental consequences of upper airway inflammation.
