Dear Ms. Bowerman, and Dr. Hurtt and Dr. Pedersen,

Thank-you so much for your \$500 donation to the No One Left Behind Chapter of Rochester, NY., and supporting our resettlement efforts of those Afghans and Iraqis who served the U.S. military and NATO forces, placing their lives in danger.

As we enter into our 5<sup>th</sup> year in Rochester, we have resettled 255 individuals, and we have 11 more on their way! We are just waiting for them to receive their flight tickets from the International Office of Migration. Funds are used to pay for a family's first month rent, security, and food. We also assist the primary in obtaining his or her driver's license, and then we work on finding a donated vehicle for them, or we will purchase a car that costs \$3,000 or less. The costs of resettling an individual or a family can vary from \$4,350 to slightly more than \$7,000 depending upon the family size. We also completely furnish apartments for free through donations stored at our base in Mendon, NY.

I thank-you from my heart for this much-needed donation that helps families who served as support personnel to our military and NATO forces.

Sincerely,

Rochester Chapter President
