Thoughts:

For the board to fulfill its potential, it is valuable to have a variety of skill, experience and interest levels represented. Considering the roles and contributions of departing board members and the current needs of the organization, it would be useful to have candidates represent at least one of the following attributes and preferably more than one:

Recognition as a thought leader

Experience in member outreach, growth and retention

Committee experience, board experience, county component experience

Outside experience in community efforts, membership on other Boards, other professional leadership roles
