“Lasers in Dentistry – An Academy of Laser Dentistry
Standard Proficiency Course”
And
“Hands-on Workshop in Laser Dentistry”
Presented by
Robert A. Convissar, DDS

REGISTRATION 7:30 am • LUNCH 12:00 pm • LECTURE 8:30 am – 4:30 pm

Dr. Robert Convissar is a pioneer in laser dentistry. One of the first dentists to incorporate lasers in general practice, Dr. Convissar has over 2 decades of experience with CO2, Nd. YAG, Diode and Erbium wavelengths. The author of 16 peer-reviewed papers and 4 textbooks on lasers, Dr. Convissar has presented over 300 seminars on 5 continents. He practices cosmetic, restorative and laser dentistry in New York City, where he serves as Director of Laser Dentistry at New York Hospital. His 4th textbook, Principles and Practice of Laser Dentistry is the #1 selling laser dentistry textbook in the world.

Course Description:
This course will examine the use of all 9 laser wavelengths currently available in the USA for the following procedures:
• Non-Surgical, Surgical and Regenerative Periodontal Therapy
• Surgical and Restorative Implantology
• Fixed and Removable Prosthetics
• Oral Medicine/Oral Surgery/Oral Pathology
• Pediatric and Adolescent Operative Dentistry
• Endodontics
• Pedodontics/Orthodontics
• Esthetic/Cosmetic Dentistry
• Practice Management/Marketing

The workshop includes hands-on experience with lasers, performing many procedures on pig mandibles.

Educational Objectives:
At the conclusion of the course, the participant will:
• be familiar with the various wavelengths used in dentistry today
• understand the effects of lasers on oral tissue
• be able to incorporate this knowledge into a basis for determining which laser wavelength is most appropriate for their practice
• be able to incorporate hard and soft tissue laser dentistry into their practices first thing tomorrow morning.

The Seventh District Dental Society is an ADA/CERP recognized provider of Mandatory Continuing Education. Continuing Education (CE) credits are awarded for all lectures that meet the NYSED requirements. One hour of credit is awarded for each 50 minutes of presentation attended. CE forms for NYS Continuing Education requirements will be given to each attendee when checking in at registration.
To verify attendance, a four-digit code, read at the end of each seminar must be marked on the CE form.
After completing the form please bring the white copy to the registration table before leaving.
The yellow copy is for your own records. It is recommended that you retain copies of all your CE forms in case of audit.
