Active-Life Member Dues - January 1-December 31, 2026

\$ 151.00

Your membership includes:

- (6) six hours of virtual continuing education hosted by the Monroe County Dental Society Study Club.
- Continuing education and networking events sponsored by MCDS provide a great opportunity for you and your staff to network with colleagues, enjoy a great meal, and earn low cost CE credits.
- Volunteer opportunities to serve as a Monroe County Dental Society board or committee member working on local initiatives to benefit you and your practice.
- Local programs, including community health fairs and the scholarship program for area dental students.
- Health insurance options for you and your staff.

Your annual dues include a \$10.00 contribution to MCDS Education Fund. This voluntary contribution makes it possible to provide scholarships to dental students from the Monroe County area who attend dental schools in the Northeast Region.

You may wish to consider an additional donation to the MCDS Education Fund this year. Many recipients of these education grants are now engaged members of this organization.

Note: Article VII, Section 10 of the Constitution

Members whose dues remain unpaid on March 31st of each year are in arrears and are deprived of all privileges of membership.
