Treatment of herpetic infections: successes and challenges

Sharon Elad, DMD MSc

Professor and Chair, Division of Oral Medicine

Principal Consultant, Hospital Dentistry

Eastman Institute for Oral Health, University of Rochester Medical Center

Antibiotics and sustainability – the important role of antibiotic stewardship in dentistry
Bodil Lund Professor in oral and maxillofacial surgery, Head of Department of Dental Medicine, Karolinska Institutet, Sweden

Senior consultant in oral and maxillofacial surgery, Medical Unit of Plastic Surgery and Oral and Maxillofacial Surgery, Karolinska University Hospital, Stockholm, Sweden

Antimicrobial therapy in the era of antibiotic resistance

Colin Hopper, DMD

Associate Clinical Professor

UCL Eastman Dental Institute, London UK

Learning Objectives:

1. To expose the audience to the impact of the global burden of antibiotic resistance and its major impact on the UN sustainability goals.
2. To enhance the understanding of the important role of antibiotic stewardship in dentistry in the preventive work against antibiotic resistance
3. To understand the use of antivirals in dental practice.

Course Description / Educational Objectives: The session will include 3 presentations, one from each Eastman Institution, related to the global burden of antibiotic and the understanding of the use of antibiotic and antivirals in dental practice. Case-based learning will be used to simulate the decision making in the clinical setting, and to stimulate discussion.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

There is no cost to attend this lecture.

University of Rochester, Eastman Institute for Oral Health, designates this activity for 1.5 continuing education credits.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
