Biography

Dr. Gottlieb was born and raised in Long Island. He graduated with thesis honors in biology from Union College in Schenectady, NY, and then attended dental school at the University of Buffalo, where he received many academic scholarships, awards, and fellowships. Dr. Gottlieb went on to a two-year post-graduate residency program at Long Island Jewish Medical Center. At the Medical Center, he received advanced training in dental anesthesiology as well as in all specialties of dentistry. That included but was not limited to advanced training in root canals, oral surgery, dentures, and cosmetic dentistry. He is a leading authority in IV (intravenous) and oral sedation, and the founder and C.E.O. of Affordable Dental Products, Inc. Dr. Gottlieb is on staff at Stony Brook University Hospital and was recently awarded one of the top providers of continuing education in dentistry today.

Course Description

Pain management, identification of addiction, and guidelines for prescribing or dispensing opioids is a 3-hour lecture that covers all the material to satisfy the New York State continuing education requirement. This program is designed for all prescribers of controlled substances, from the residents to our veterans about to retire. Through literature reviews, case studies, and professional experience, participants will understand their role in combating the current opioid epidemic.

Learning Objectives

At the end of this course, participants will be able to:

- Understand state and federal requirements for prescribing controlled substances.
- Develop a comprehensive pain management plan.
- Utilize evidence-based and appropriate prescribing practices.
- Apply best practices for managing acute pain.
- Understand the principles and scope of palliative medicine.
- Identify strategies for prevention, screening, and early recognition of addiction.
- Describe effective responses to substance abuse and addiction.

Monroe County Dental Society is a component of the 7th District, recognized as a CERP provider through NYSDA.

The Seventh District Dental Society is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at CCEPR.ADA.org.
