### "What To Know About Orofacial Pain & Dental Sleep Medicine"

**Presented by**  
Dr. Mona Haleem

Log-in begins at 5:45pm ~ You must be on for the entire meeting to receive CE credits.

**Course Description:** This course provides an overview of the orofacial pain specialty, including fundamental principles, diagnostic concepts, and clinical implications for patient management. It also highlights the relationship between pain and sleep disorders, and the dentist's role in managing both.

#### **Learning Objectives:**

1. Know the definition of the orofacial pain specialty.
2. Understand the importance of classification of diseases and diagnosis.
3. Gain insight into the management of orofacial pain.
4. Learn the basics of dental sleep medicine.

#### **Dr. Mona Haleem**

Dr. Mona Haleem is a Diplomate of the American Board of Orofacial Pain, and a Diplomate of the American Board of Dental Sleep Medicine. She is the only woman in New York state to hold diplomate status by both boards.

She is also board eligible in Dental Public Health. In addition, she has a Master's degree in Public Administration. Her past professional experience includes providing clinical services at the Department of Community Dentistry and Oral Disease Prevention at the Eastman Institute for Oral Health. She has presented at national conferences on behalf of the New York State Department of Health's dental program. Currently, she works in her own private practice, in Rochester, where she treats orofacial pain disorders, and provides oral appliance therapy for sleep breathing disorders, such as sleep apnea.

Monroe County Dental Society is a component of the 7<sup>th</sup> District; recognized as a CERP provider through NYSDA.

- Continuing Education (CE) credits are awarded for all lectures that meet the NYSED requirements.
- One hour of credit is awarded for each 50 minutes of presentation attended.
