

We Are Dedicated to Guiding Your Path to **Submitting a Successful Application**

Complimentary Accreditation Navigator

An initial one-on-one meeting to identify your facility's accreditation readiness to develop a detailed action plan for achieving accreditation.

Tailored Support When and How You Want It

Touch-base virtual meetings to answer questions you have encountered as you prepare your application submission.

Live Application Assistance

Real-time, one-on-one assistance directly in the accreditation system as you work on your facility's application. Our team is right there guiding you, seeing what you see!

Case Upload Assistance

Tap into our expertise for support with case uploads, including creating DICOM files, for fast and easy submissions.

The Path After Accreditation

The support continues long after you receive your accreditation certificates! Our team is here to assist you in utilizing the QI Self-Assessment Tool and tackling any compliance or organizational changes your facility may face while accredited.

Every step along the path accelerates your facility's journey to successful accreditation, **leading to quality patient care and continuous improvement!**

**ACCREDITATION
NAVIGATOR SERVICE**

GUIDING EXCELLENCE • ELEVATING CARE

Whether you are new to IAC accreditation or seeking enhanced support, our new Accreditation Navigator service is here for your facility — **it's voluntary and it's free.**

Take the fast path to success.
