- Quality systems: ISO 9001:2015 and ISO/IEC 27001:2022 certified.
- IAC is also recognized by private payers as a mechanism for demonstrating quality.

## Independent, Profession-Led Governance

IAC CT / Dental CT accreditation *Standards* are developed and revised through a multidisciplinary Board of Directors representing 12 sponsoring professional societies, including AAOMR and AAOMS.

- Board members are non-industry professionals nominated by their sponsoring societies and elected by the Board.
- Membership reflects diverse specialties, practice settings and geographic regions.
- The Board is responsible for development and ongoing revision of IAC CT / Dental CT *Standards*.

## Board Representation

### American Academy of Oral and Maxillofacial Radiology (AAOMR)

- Anita Gohel, BDS, PhD
- William Bruce Howerton, Jr., DDS, MS

### American Association of Oral and Maxillofacial Surgeons (AAOMS)

- Andrew Read-Fuller, DDS, MD
- Claudine Cafferata, DDS (practicing dentist in New York)

### Advisor to the Board

Adam S. Pitts, MD, DDS

## Why IAC?

### EXPERIENCE

More than 30 years focused on quality and safety.

### COST CONSCIOUS

### CREDIBILITY

CMS-recognized accreditation organization with profession-led standards.

### PERSONALIZED SUPPORT

Accreditation Navigator service included in then application fee.

### EFFICIENCY

One streamlined application for all units and practice locations.

### VALUE

Inclusive fees and tiered pricing for multi-site and multi-unit practices.

### IMPROVEMENT

Tools and resources that support ongoing quality beyond accreditation.

# Get Started

## Support at every step ...

IAC combines an efficient application, inclusive pricing and personalized guidance to help dental practices navigate accreditation with confidence.

### IAC Accreditation Navigator

**Personalized application and compliance guidance — included in your application fee.**

- Every facility is assigned a personal Accreditation Navigator who provides direct support throughout the accreditation process.
- Meets with your team via Zoom to provide real-time application assistance.
- Provides guidance documents and reference materials tailored to your facility's needs.
- Helps clarify application requirements and identify the materials needed for submission.
- Offers a direct point of contact as your practice moves through accreditation.

**Link up with an Accreditation Navigator today!** We are here to guide you through every step of the accreditation process to help you ensure you are meeting the new CBCT regulation.
